QUESTIONS & DISCUSSION

45 MIN

Ice Breaker: What's something you owned or valued a lot when you were younger, and why was it so important to you?

Q 01. "The earth is the Lord's, and everything in it." (Ps 24)

If everything ultimately belongs to God and what we have is on loan from Him, what does it look like to live as a steward rather than an owner in your everyday life?

Q 02. In Malachi 3:10, God invites His people to test Him in generosity. **Why do you think God ties trust and generosity together, and what sometimes makes it difficult for you to take that step?**

Q 03. Your heart is constantly playing 'king of the mountain.' Something is always fighting to sit at the top of our priorities. **In light of what Jesus says in Matthew 6:24 about not serving two masters, what things tend to compete with God for first place in our hearts?**

Q 04. In 2 Corinthians 9:12, Paul says generosity results in thanksgiving to God. **What are some tangible things you can do this week to keep your heart joyful and intentional in how you give?**

*A question to pray over this week as you seek Jesus in the Word and the Holy Spirit: **Are there any areas of your finances/generosity that you are holding out of the water?***

Close your time together by sharing prayer requests and closing in prayer for each other.
